TalentOnCloud

(Unleash Your Talent)

Problem

- Many people in this world are talented and they do not have the right platform to showcase their talents to the world.
- Most of the passionate people don't have the right training facilities.
- Even if they have the right training, most of their time is wasted in traveling.
- Talented people are not getting the rewards they deserve.

Need

- With this platform, everyone in this world can showcase their talents.
- Talented people will get Rewards and Recognition.
- People can learn stuff from others.
- As it is an online platform, time is not wasted in traveling.
- Screen sharing and video sharing features are available for better learning.
